FINDINGS OF FACT

Based on the pending Stipulation of counsel, and good cause appearing therefore, the Court finds:

This Stipulation is entered into for the following reasons:

1. Defendant was in a motorcycle accident and is currently undergoing medical treatment for his neck and back. He expects to complete his treatment by September.
2. Based on the above information, the Government agrees to the continuance.
3. Defendant Ali is out on Pretrial Release and does not oppose the continuance.
4. The additional time requested herein is not sought for the purposes of delay, but to merely to allow defendant sufficient time within which to be able to effectively complete his medical treatment. Denial of this request could result in a miscarriage of justice.
5. This is the 1st Request for a continuance of the sentencing in this case.

CONCLUSIONS OF LAW

The ends of justice served by granting said continuance outweigh the best interest of the public and the defendant in sentencing, since the failure to grant said continuance would be likely to result in a miscarriage of justice, would deny the parties herein sufficient time and the

1 opportunity within which to be able to effectively and thoroughly prepare for sentencing taking
2 into account the exercise of due diligence.
